

2007 -2008 ST. JOSEPH / ST. MARY'S MISSION TRIP AND SUMMER CONFERENCE TRIPS NOVEMBER

Meetings:

Just like athletes train in advance of a big game or race – so do we need to train to get our “spiritual muscles” in shape for this experience. Not only will we be having meetings each month, we’ll also expect you to fundraise, serve, learn, and pray on your own between meetings to prepare for this trip.

A schedule of our meeting is on the back of this page.

Fundraising

Requirements: Students must work to fundraise the entire balance of their trip. Why?

1. By pushing yourself to reach out to others and get their support, you are *taking ownership* of this experience and *investing yourself* into preparing for it. That’s priceless.
2. By reaching out to others and allowing them the opportunity to support your service, you are giving *others* the opportunity to invest in your experience, too. After all, **some give by going; others go by giving.**

Deadlines: \$300 by March 1st (Mission trippers only), All should be completely paid by May 1st

Student \$75: We are expecting you to sacrifice and contribute some of your own money for this experience. If you simply put \$3.26 aside each week, you will have completed the student \$75.

Donated Funds: Remember, since donations or otherwise from letters, fundraising, or payment are considered tax deductible donations, we will be unable to reimburse anyone. (Any additional funds raised beyond what you owe can only go to subsidize this trip)

Mission Trip and Conference Meetings
