

2009-2010 Senior Leadership Application

Dear Seniors,

As the year draws to a close, you undoubtedly have been transformed. Whether it was the Service Experiences, Confirmation Sessions, Retreats, or otherwise, God has worked powerfully in your life and he is calling you to stay involved and share the gift that you have been given.

There are unlimited ways to be involved next year, and my guess is that you may not know how you would like to be involved until you know a little more about what your schedule will look like next year. By selecting one of the programs below you are merely indicating interest. We will have an information meeting next year for seniors to describe more fully the commitments of each program.

Without senior leaders none of our programs would function. Think about the senior leader you had, or *wish* you had, on Retreat or Confirmation this year. What would it have been like without them? Is God calling you to be that for someone else? Fill out this form and learn more about what the Senior Leadership Program offers. We will contact you regarding summer and fall information and training sessions.

Name _____ E-mail _____

Home Phone _____ Cell Phone _____

Address _____
